

## PLEASE NOTE; Protocols for 2018 Call-in Sessions

Starting on January 1<sup>st</sup> all conference calls will be coming to you from the New Earth. The follow changes will take place in order that each person will experience the New Earth energy more fully.

- ♥ All calls will begin by playing the 12 source energies to enhance the healing experience. Enjoy listening to this intro until Ron comes on the call.
- ♥ The automatic receptionist will tell you to announce yourself when you come on the call however do not do this. Ron already knows who registered.
- ♥ Ron will no longer be taking roll call since it is not necessary.
- ♥ Know that you are automatically included on the calls the moment you registered for the session.
- ♥ If you have decided to attend all or part of a session as an absentee know that you are attending automatically as an absentee attendee. Do not give notice.
